3D-IO GmbH does not and cannot warrant the performance or results you may obtain by using UV-Packer. The entire risk arising out of use or performance of UV-Packer remains with you.

3D-IO GmbH gives no warranty, express or implied, that (i) UV-Packer will be of satisfactory quality, suitable for any particular purpose or for any particular use under specified conditions, notwithstanding that such purpose, use, or conditions may be

known to the 3D-IO GmbH; or (ii) that UV-Packer will operate error free or without interruption or that any errors will be corrected.

LIMITATION OF LIABILITY

In no event will 3D-IO GmbH be liable for any damages, claims or costs whatsoever or any consequential, indirect, incidental damages, or any lost profits or lost savings, even if the 3D-IO GmbH has been advised of the possibility of such loss, damages, claims or costs or for any claim by any third party.

NON-WAIVER

If a portion of this agreement is held unenforceable, the remainder shall be valid. It means that if one section of the Agreement is not lawful, the rest of the Agreement is still in force. A party's failure to exercise any right under this Agreement will not constitute a waiver of (a) any other terms or conditions of this Agreement, or (b) a right at any time thereafter to require exact and strict compliance with the terms of this Agreement.

TERMINATION

This EULA agreement is effective from the date you first use the Software and shall continue until terminated. You may terminate it at any time upon written notice to 3D-IO GmbH.

It will also terminate immediately if you fail to comply with any term of this EULA agreement. Upon such termination, the licenses granted by this EULA agreement will immediately terminate and you agree to stop all access and use of the Software. The provisions that by their nature continue and survive will survive any termination of this EULA agreement.

GOVERNING LAW

The Licensee agrees that the UV-Packer is a "freeware item," consisting of "freeware computer software" and "freeware computer software documentation" as applicable.
